## VILLA AMAC-1620 AMALFI COAST, ITALY

### DESCRIPTION

Le ville della costiera

The estate is located on a private corner of the Amalfi Coast. It overlooks the fascinating Positano and its dramatic coastline. The estate is covered by century old tropical plants spread over the characteristic terraces down to the sea.

One of the few "pied dans l'eau" estates of the whole Amalfi coast, with two hectares of privacy and exclusivity.

A private paradise of fifteen suites divided into four stunning houses.

Private access to the sea via lifts or charming little pathways along the terraces. The villa is in pure Amalfi style, villa traditional and colorful maiolica tiles. The interior design is a mix of tradition and finest furniture and features, with a strong modern touch.

The estate offers ultimate privacy in 4 separate deluxe villa buildings. During the recent renovation, all 15 bedrooms were rebuilt, 3 elevators were installed, 20 bathrooms were added, kitchen and sitting rooms were remodeled.

Guest will enjoy hospitality services with Lounge bar available all day, private beach, private transport with estate traditional boat from and to Positano

The 2 hectares Estate will be fully privatized for the exclusive use of the family. The beautiful gardens produce flowers, fruits and vegetables for all guests to enjoy.

There is a heli-pad and boat landing area for guests arriving by helicopter or yacht.
