CHALET CHAM-1319 CHAMONIX, FRANCE

DESCRIPTION

The perfect choice for luxurious relaxation

The chalet nestles in the heart of old Argentiere within walking distance from the biggest ski area, Les Grands Montets, and it provides luxurious catered accommodation in the style of a boutique hotel. It caters perfectly for large groups of family or friends, or corporate groups of colleagues thanks to its vast space and many facilities creating possibilities for a tailor-made event or holiday. The chalet offers a spacious 340sqm spread out over 3 floors. You enter through the main entrance with a small study. The downstairs level consists of a big lounge/living room with open fire, a big flat screen TV, comfortable sofas and armchairs. The big windows, beautiful décor and the fireplace create a very pleasant space. The living room opens up to the kitchen and dining area, which can seat up to 20 people.

There is a big staircase and elevator leading to the 2 upper floors, each with 4 bedrooms. Two of the bedrooms on the roof-floor also have mezzanines and can be family rooms for 3-4 people. All the bedrooms are very spacious and have an inviting feel with mixed modern and rustic influences. Some of the bedrooms have balconies and they all offer beautiful views.

Downstairs, from the entrance level, is the sauna and relaxation corner where you can hide away and unwind after skiing. Further along is the ski and boot room with heated boot racks, washing machine and dryer. This room also has a separate entrance to avoid skis and boots in the chalet.

The final touch for an experience of sublime luxury is a beautiful outdoor area with hot tub and sun chairs.
