VILLA CORS-1869 CORSIKA, FRANCE

DESCRIPTION

Great modernity and stunning sea view

The Estate is located in 'Balagne', a region located on the North West of Corsica, a coast known for its stunning beaches and authentic villages with breathtaking views of the sea.

A very preserved area of the island, with great activities to enjoy in Calvi, Ile Rousse, the main towns, but also in areas like the Scandola natural reserve to the South or the Agriates desert to the North.

The Estate is close to the town of Calvi and more specifically close to the village of Lumio. The beach Pain de sucre is located about three kilometers from the Estate, giving a very easy access to the crystal clear water of this region.

Both villas on the Estate have a stunning view of the Gulf of Calvi and its 'Citadelle'. The villa is very modern, and has been recently completed. The living room has been designed to communicate with the outdoor with large bay windows that open to the infinity pool.

Each of the four bedrooms are en-suite, and most have direct access to the outside garden or terraces.
