VILLA GARD-2741 LAKE GARDA, ITALY

DESCRIPTION

Chic conservatory with lake view and romantic ambience

Surrounded by olive groves producing tasty olive oil, this graceful hillside property on the western shore of the lake has a panoramic view that spans across the lower lake and the church of the quaint village of Gaino. The recently renovated luxury rental villa is located in a truly relaxing environment, ideal for unforgettable summer holidays in the Italian lakes district.

The large private villa was recently renovated and can be rented together with the next-door villa, Villa Tradition, each with separate facilities, garden and pool. An iron and glass conservatory where the dining and living area is located, faces the lake and allows not only the light to enter, but also the intense colours of nature, to create an exceptional atmosphere. The white ceiling curtains of fine linen gauze give a refining touch. Elegant lunches and dinners are prepared in the fully equipped kitchen with a breakfast table, located behind the dining room.

Accommodating up to ten people, there are three double bedrooms with luxurious en suite bathrooms, two of them on the first floor and another on the ground floor. Two additional beds are available. A guest WC is located on the lower ground floor.

On the lower ground floor, guests will find a soothing sauna, Jacuzzi and relaxation area. On the ground level outside, is an area with an outdoor Jacuzzi and a bench. Following a few steps downwards is the very large swimming pool with pool terrace, sun loungers and a covered dining set. The huge garden includes a well-tended lawn and various trees and shrubs.
