DESCRIPTION

Brand new amazing design, loads of space

This fantastic newly built villa is located in a secure gated community, walking distance from Cala Conta beach, between San Jose and San Antonio on the west coast. It takes only 20 minutes to get to Ibiza Town.

Defined by high class spacious interiors with angular minimalistic furnishing and large windows letting in a lot of light, this private villa for rent is the epitome of tranquillity. A living area, lounge with a fireplace and large comfortable sofas and dining area all opens to the terrace with breath-taking sea and sunset views. The open plan kitchen is pure white except for the central wooden work surface and it has an adjoining pantry. Air conditioning is installed and the villa has Wi-Fi internet connectivity.

Four of the six spacious and modern designer bedrooms have huge king-sized beds and en suite bathrooms, except for two that share a bathroom. Comfort and privacy is guaranteed, ideal for you to enjoy the perfect holiday in Ibiza.
