DESCRIPTION

Charming traditional Alpine chalet with picturesque views

The luxury chalet for rent is situated in the Le Jaillet area of Megeve. You can ski in, ski out to and from the brand new chalet on the Jaillet slope while the centre of Megeve is a mere 15 minute walk away.

The new 250sqm ski in, ski out chalet consists of two levels. It is a no mess, no fuss classic Alpine wooden chalet made from sturdy beams inside and out. On entering at ground level you will see the open living space with a wood burning fireplace as its centrepiece. To one side is the lounge with comfortable sofas and to the other the dining area with solid wooden bench. The kitchen is very homely and reminds of eras gone by yet it has very modern angles and all the luxury amenities you can think of, amongst others a four gas-ring stove, a refrigerator-freezer, dishwasher, and oven. The whole area has access to the large terrace that surrounds the chalet. Wi-Fi access is available.

Featuring five en suite bedrooms, this enchanted private chalet can accommodate ten people. On the ground floor are a double bedroom and a guest WC next to the living areas. Following stairs upwards are two twin bedrooms and two double bedrooms. One double bedroom has access to a balcony and one twin and one double share a shower room. An annex to one side of the chalet has a twin bedroom with a shower room for staff.

A large wooden terrace surrounds the chalet and there is a garage and outdoor covered parking available. Boot heaters in the ski room will take care of your ski boots.

Services include a welcome basket, bath products in each bathroom, daily cleaning, fire wood and a concierge service every day from 9:00am to 6:00pm.
