VILLA PARO-2034 PAROS, GREECE

DESCRIPTION

Modern Mediterranean island paradise

The location of this villa is as good as it gets: on the coastline of Santa Maria, views to the Aegean Sea and Naxos Island, direct access to sandy beach, near to the fairytale town of Naousa. A mere 2 minutes walk along a private pathway and you can put your feet on the sand of a secluded beach or in the Aegean waters. The lively Santa Maria Beach, well known amongst tourists for its great variety of water sports, is also within walking distance. The modern summer residence is surrounded by a lovely Mediterranean garden. The exterior beauty of the villa lies in the combination of Cycladic white with clean pastel yellows. The villa has a contemporary and minimalistic look, but it retains a warm and welcoming ambience. The living and open plan dining room is comfortable, ideal for groups of family or friends who love to keep the conversation flowing while cooking together in the open plan kitchen.

Accommodating up to 9 people in 4 big and bright and beautiful bedrooms. Three bedrooms are double, and the children's playroom doubles as a bedroom for 3 children. All the bedrooms have nice bathroom facilities. There is a separate bedroom with 2 twin beds for staff members.

Outdoor gatherings is a must-do in Paros. A large patio and 2 verandas gatherings, either in the shaded dining area or in the lounging corners for a cocktail under the stars. And what better way to truly enjoy summer than by being able to walk to the beach in utter privacy, directly from your villa! This is a wonderful property with an overall comfortable and youthful feel, ideal for families or for friends who want to enjoy the Cycladic spirit with a modern twist.
