VILLA SORR-2100 SORRENTO, ITALY

DESCRIPTION

Elegant and near to everything

Situated within walking distance from the centre of Sant'Agata sui due Golfi in the direction of Deserto, where you can find shops, bars and restaurants, rests this smart villa. Sorrento, Capri, Massa Lubrense and Positano are amongst the beautiful surrounding towns, or you can relive the history of Pompei, Ercolano or Paestum in 79 BC, before Vesuvius destroyed the natural beauty for almost 2000 years. Some of the best characteristics of this luxury villa are its privacy, accessibility for disabled persons, independency and the fantastic view of the valley and of the Bay of Naples. The villa is a three-story building. The entire air conditioned house has been furnished with careful attention to all details, each and every room in a different style and a different colour scheme. A few steps downwards will take you to the entrance of the villa; to the elegantly furnished living room area and the kitchen that lead to the terrace, the laundry room and a closet. You will also find the spa area here which you will be allowed to use for an extra fee and which consists of shower, Jacuzzi and sauna.

The luxury rental villa can accommodate up to 13 people in seven bedrooms with seven bathrooms. Behind the living room area there is a small toilet and a double bedroom with bathroom. On the first floor you will find three bedrooms: one has got a double bed, a sofa/single bed and a shower room, the second one features a double bed and a hydro-massage tub in the bathroom. The third bedroom (with double bed and a shower room) has its own private balcony that leads to the back of the villa. On the third floor there are two other double bedrooms; one with shower and another one with hydro-massage tub.

A few stairs will take you to the rooftop, functioning as a sunbathing terrace, with splendid views of Capri and St. Costanzo and an amazing 360° panoramic view of Sant'Agata sui due Golfi. Two of the bedrooms have a communal balcony with view to the garden and to the swimming pool. Upon entering the gate of the drive-way you will find yourselves in the neatly serviced garden furnished with natural materials such as tuff and lava stone of Massa that makes it the perfect place for out-door dinners. The swimming pool with sun deck fits perfectly in the scenery of the blooming green garden. Private parking lots are available.
