This deluxe beachfront private villa of 108sqm offers ideal living for couples, right next to a white sandy beach.

One of nine units, this one bedroomed luxury rental villa features a living space separate from the bedroom where natural materials and colours bring the outside in, while natural decorative and artistic features add an element of sprightly sophistication.

The double en suite bedroom, with large flat screen TV, opens to the pool and outside dining area. The indoor bathroom and the zen-like outdoor bathroom feature a huge bath and deck, and reclining daybeds under a pillared podium, connected by a garden atrium.

At sunset the alfresco dining area with gazebo by the pool is the place to be. There is also a bathroom garden and large terrace. From there you have the beach and open ocean in front of you. This is truly your own piece of paradise.
