VILLA VELA-2580 VELAA PRIVATE ISLAND, MALDIVES

DESCRIPTION

Extravagant over-water living

The exclusive island resort was designed with privacy and comfort as the guiding principles. With three restaurants, two bars, and a wine cellar, a generous assortment of cuisines are available for guests. The resort provides a wide choice of land and water sport facilities including a golf academy with a course designed by Jose Maria Olazabal, shops, a library and a kids club, and a luxurious spa for guests. Excursions include snorkelling, sea manta encounters, semi submarine courses, dolphin cruises, private boat hire and fishing cruises. Set off the island along an extended jetty, the crescent of eight villas each has its own uninterrupted view of the ocean and private pool. Due to the nature and setting an over-water luxury villa, we do not recommend reservation with children under the age of 10 years.

Inspired by the dazzling views of our azure lagoon, each over-water private villa for rent offers a truly personal experience of comfort, space and design. Wake up in morning and watch the sunrise directly from bed or your spacious pool terrace. The overhanging thatch offers shade over the dining area. Inside, the comfortable living room is designed around a viewing window set into the floor. A daily breakfast buffet is offered.

The bedroom and bathroom open onto the terrace. The bed, made up in white linen, faces the ocean. The huge bathroom, with circular bath, features large format murals of turtles.

From the pool and sun deck, steps lead directly and irresistibly into the ocean.
