CHALET VERB-2687 VERBIER, SWITZERLAND

DESCRIPTION

Storybook chalet: sensational location, superb design, sumptuous luxury

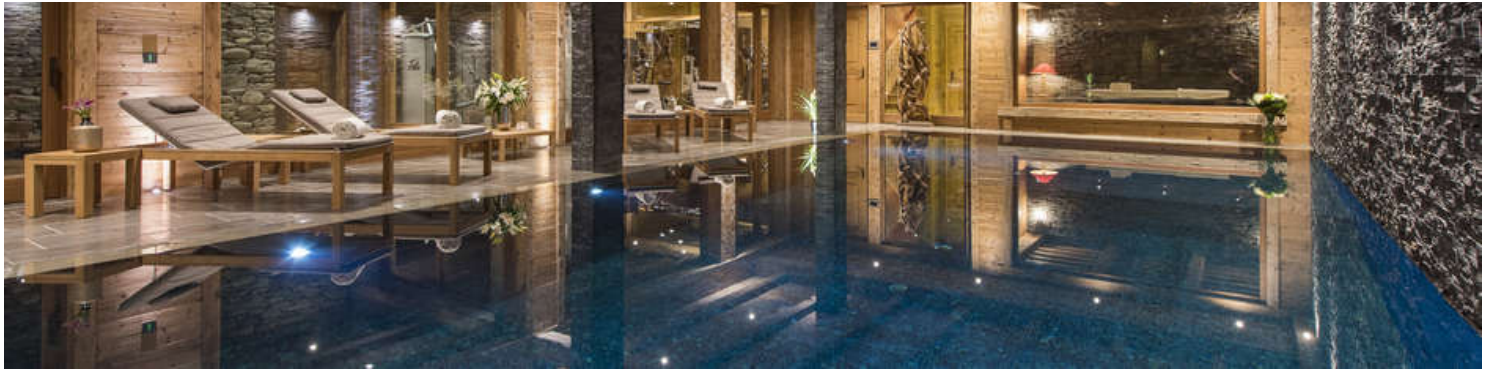

In the Sonalon area, one of Verbier's most exclusive addresses, the stunning luxury rental chalet rests majestically on the brim of the Savoleyres side of the mountain. It is an architectural masterpiece, perfectly blending traditional Alpine architecture with the latest in state-of-the-art design and ultimate luxurious comfort. From the chalet's highly elevated position, the view over the town and the mountains is unparalleled, while the centre of Verbier, with all its glitzy restaurants, bars and shops, is a mere five minute drive away. The main Médran lift station is only seven minutes from the chalet and the new high speed chair lift at Carrefour even less.

The five floors are linked by a staircase and a lift. You enter the chalet through a hallway with an imposing chandelier, leading you into the spacious main sitting room, with a central stone fireplace, the dining room and the open plan kitchen. Beer barrel style stools furnish the bar which separates the well-equipped kitchen, with its own rotisserie oven, and the sophisticated dining room. Floor to ceiling glass sliding doors open out onto the large terrace where there is comfortable outdoor seating, the perfect place to enjoy the mellow sunshine and the view over Verbier, with a sundowner in the hand. Halfway down the staircase from the main entrance of the chalet, there is a spacious office on a mezzanine overlooking the sitting room.

Twelve guests can be housed in five bedrooms. The top floor of the private chalet has been transformed into the master bedroom suite and office which has its own private staircase. The bedroom has as glorious open fireplace, dressing room and en suite bathroom with separate shower. The main sleeping floor houses three double bedrooms and an attractive bunk bedroom for children, all with access to a terrace and en suite bathroom or shower room facilities.

From the main entrance, the lift whisks you down to the entertainment floor, providing a large cinema room furnished with the most comfortable leather arm chairs and sofas. Throughout the chalet, top of the range entertainment and technology systems have been installed. A professionally designed wine cave with a kitchen, waterfall feature and an impressive wine collection, forms part of the entertainment level.

The first floor houses the luxurious spa, with one of the largest indoor private swimming pools in Verbier. Ceiling high glass panels at one end of the pool, reaching

down below the terrace, allows you to enjoy your early morning swim while inhaling the crisp mountain air. A terrace with an outdoor hot tub and stunning views, can be accessed from the swimming pool. There is a luxurious hammam, an ice machine, and a sauna and shower room. While being pampered in the modern massage room, you can overlook the pool through one way glass - inviting you to enjoy the views whilst relaxing in complete privacy. Also on this floor is a TV room for the little ones.
